Leadership Catawba, our longest running program, has educated and equipped hundreds of Catawba County residents with information about the social, economic, and political dynamics of our community. Over the 8-month duration, the participants are immersed in community issues and challenges that we position ourselves to directly address in the areas of Reinventing Community, Telling our Story, Serving our Community, Building for Jobs, Workforce Connectivity, and Small Business and Entrepreneurship. The program challenges each participant not only to be an effective and influential leader within their own organization, but to lead within our greater community through personal commitment and involvement.

**Diversity Statement:** Leadership Catawba is committed to identifying and nurturing leaders who reflect the diversity represented in our businesses and in the greater community. We recognize the positive relationship between diversity and a thriving economy and therefore are intentional in our efforts to recruit, grow, and support leaders from diverse ethnic, racial, gender, socioeconomic, and professional backgrounds. We strive for inclusiveness in our programming, class participation, advisory board leadership, and community partnerships and actively seek to include individuals from historically under-represented backgrounds. We encourage business leaders to consider all aspects of diversity when recommending individuals for participation in Leadership Catawba.

Statement of Attendance and Commitment:

This program challenges each participant to be an effective and influential leader, not only within their own organizations, but also within the greater community through personal commitment and involvement.

The Leadership Catawba program extends over an eight month period beginning with a two day retreat in August. Participants will attend a total of six full day and six half day program sessions from September through February, with graduation held in March 2021.

To graduate, attendance at all scheduled events is expected; attendance at the retreat is mandatory. No more than 12 total hours may be missed in order to complete the program and graduate.
