Child Care and School-Age Care Options

There is available child care in Catawba County for young children and school-age children.

Please contact the Children's Resource Center to:

- 1) Get an up-to-date list of available child care and school-age programs
- 2) Learn about costs and opportunities for financial assistance
- 3) Find out about other community resources that may be helpful

We are here to help you find the resources and services you need.

You can talk with a referral specialist about the available child care options for children from birth to age 12, and learn about other resources available to you and your family.

Our referral services are FREE and are available by calling:

1-828-695-6565
