LEADERSHIP CATAWBA

2023/24

Leadership Catawba, our longest running program, has educated and equipped hundreds of Catawba County residents with information about the social, economic, and political dynamics of our community. Over the 8-month duration, the participants are immersed in community issues and challenges that we position ourselves to directly address in the areas of Reinventing Community, Telling our Story, Serving our Community, Building for Jobs, Workforce Connectivity, and Small Business and Entrepreneurship. The program challenges each participant not only to be an effective and influential leader within their own organization, but to lead within our greater community through personal commitment and involvement.

Diversity Statement: Leadership Catawba is committed to identifying and nurturing leaders who reflect the diversity represented in our businesses and in the greater community. We recognize the positive relationship between diversity and a thriving economy and therefore are intentional in our efforts to recruit, grow, and support leaders from diverse ethnic, racial, gender, socioeconomic, and professional backgrounds. We strive for inclusiveness in our programming, class participation, advisory board leadership, and community partnerships and actively seek to include individuals from historically under-represented backgrounds. We encourage business leaders to consider all aspects of diversity when recommending individuals for participation in Leadership Catawba.

Statement of Attendance and Commitment:

The Leadership Catawba program extends over an eight month period. Participants will attend a total of six full day and six half day program sessions from September through February, with graduation held in March 2024.

To graduate, attendance at all scheduled events is expected; attendance at Orientation and the Retreat is mandatory. No more than 12 total hours may be missed in order to complete the program and graduate.

Tuition for Leadership Catawba is \$1,395 (members) and \$1,595 (nonmembers) and will be due by July 14, 2023. Tuition covers program costs including the retreat, meals and graduation. Upon invoicing, payment may be made by check or credit card. If an applicant cancels within 15 business days prior to Orientation (by July 19), one-half of the full tuition will be forfeited. Participants are selected on a first come basis once the application process has opened. A delay in submitting a completed application may result in being placed on the wait list for the 2024-2025 program.

Leadership Catawba WHY?

All testimonials contributed by graduates of 2022/23 Leadership Catawba.

“Having the opportunity to be a participant in the Leadership Catawba program was such an insightful experience. Leadership Catawba has opened my eyes to not only what the County of Catawba has to offer, but more so, of what Catawba County is destined to be. This experience has left me feeling inspired and appreciative of the County that I proudly represent.”

Porscha Corpening, First Horizon Bank

“The Leadership Catawba program has absolutely opened my eyes to the multi-layered government-to-private efforts that enable our community to succeed in North Carolina. Through deliberately planned tours, presentations, and discussions, the class was able to observe and experience many of the outstanding organizations across Catawba County (e.g., government institutions, schools & colleges, parks & services, non-profits, and local businesses). I feel very fortunate to have met and networked with so many remarkable individuals in the area, and I highly recommend this program for Catawba residents who want to be involved and contribute to the success of our community.”

Mike McCourt, Atriax PLLC

“Leadership Catawba was everything I hoped for and more. As a newcomer to Catawba County, I gained new connections, learned about the opportunities and issues affecting local government, businesses, schools and charitable organizations, and was also challenged to reflect on what actions I might take to become a better leader, citizen and steward. It was well worth the time commitment!”

Ann Metz, Frye Regional Medical Center

“This program has been one of the best leadership opportunities that I've been a part of. I have lived in Catawba County all my life and I experienced and was exposed to so many opportunities in Catawba County that I didn't know existed. This program allowed me to network and connect with community members. Catawba County is all about partnerships – businesses helping each other succeed. Proud to be part of this community.”

Ashley Jones, Abernathy Laurels
