

Celebrating 50 Years of Leadership Catawba

The Chamber of Catawba County invites your partnership as we commemorate 50 Years of Leadership Catawba.

- We invite you to celebrate five decades of educating and empowering leaders for the future of Catawba County through Leadership Catawba, honoring the longest running program of The Chamber of Catawba County.
- Since 1974, Leadership Catawba has challenged participants not only to be an effective and influential leader within their own organization but to lead within our greater community through personal commitment and involvement.
- We pride ourselves on creating program content that educates and equips leaders on the most critical issues and economic opportunities impacting Catawba County, as well as, asking them the question, "Now that you know what you know, what will you do about it for the good of our community and all those who live, work, learn and play here?"
